Event Décor for Every Occasion

Stunning event décor can make any event memorable. Unfortunately, décor that wows your guests often makes your budget swoon. ***The Main Event*** has redefined event décor by dazzling your

guests without toasting your budget. Our décor professionals customize each offering to match the unique needs of our clients. From awesome special effects guaranteed to get your guests out of their chairs and on their feet to cost effective solutions for a 50th anniversary celebration, our solutions are perfectly matched to our clients specific needs.

Specializing in Unique Effects

Led by a Certified Balloon Artist (CBA), our highly trained staff is focused on creating an experience that is both unique and appropriate. While balloon décor is incorporated in many of our décor solutions, we provide a wide range of effects including confetti cannon, balloon drops and glassware rentals, providing a compre-

hensive solution to meet all of our clients décor needs. Our non-pyrotechnic special effects provide a memorable punctuation to any event

without the risks inherent with traditional special effects.

YOUR VENUE—REMADE

Whether you have an elegant, 19th century ballroom, or a tent by the riverside, ***The Main Event*** will transform any venue for your special occasion. Our experience working in both large

and small venues, from intimate home gatherings to colossal events, enables us to scale our services to meet your needs.

Custom Sculptures

In addition to traditional room and table décor, we specialize in stunning, custom designed sculptures guaranteed to draw attention to any locale. From a focal point at a gala event, to lobby décor for special occasions, balloon sculptures offer cost effective, eye-catching displays that last for weeks at price points that are as accessible as the sculpture is dazzling.

PERSONALIZED SERVICE

From weddings to corporate events, fund raising galas to custom sculptures, your event is a unique event. Accordingly, the first step in the process is to arrange a personal consultation, ideally at your venue. Our expert staff, led by a Certified Balloon Artist (CBA), will work with you to understand your needs, budget and the impact you are seeking. Whether you want to punctuate your message with confetti cannons, or bask in the soft glow of a lighted courtyard of columns, we have a solution to your event needs.
